The serene character of these river side apartments is framed by lush landscaping outside and carefully selected colours, textures and tones internally.

Light and spacious, the tranquil open-plan living areas blend gracefully into the generous balconies, complete with glass balustrades; the perfect setting to enjoy and absorb the panoramic views of the Nerang River or the city skyline of Surfers Paradise.

Entertaining at **Sentosa Waters** is easy. Fully-equipped kitchens and quality stainless steel appliances, together with ducted air-conditioning and acoustic treatments (exceeding Australian Standards) all ensure that your domain remains cool and peaceful.

These fresh, well-appointed apartments are designed for modern waterfront living and utilise quality fittings and fixtures throughout. Other features include broadband capability and cable TV access.
